# MEET YOUR ROYALTY

## Alexis Cheyanne Moore

Alexis is the daughter of Mark & Leann Moore of Stanton Tn. Lex is 17 years old & will graduate from Haywood High School this year. Lex has already signed with Mississippi State University & entering into their Animal and Dairy Science pre-veterinary med tech program. Lex enjoyed her time in FFA where she participated in horse & livestock

judging & received her state degree this year. Lex works at Fast times in the deli. She is proud to be the 2026 queen for WCSC, showing her mare Blaze.

## Brooklyn Rose Agee

Brooklyn is the daughter of Parker & Amy Agee of Brighton, TN. Brooklyn is 10 years old & going into the 5th grade. She enjoys riding her horse, Sis, in shows & barrel races. When she's not "horsin' around" Brooklyn enjoys fishing & riding her side by side. When she grows up, she wants to be a dog groomer & vet. Brooklyn is excited to represent WCSC as the 2026 Princess.

## Alani Royal Nelson

Alani has a kind heart, a love for adventure, & a smile that lights up every arena she walks into. She is honored to be crowned WCSC Buckaroo Princess as well as the Mid-South Rodeo Princess. When not in the arena, Alani enjoys gymnastics, reading, softball, & traveling, with family, to National Parks where she collects Junior Ranger badges along the way. Alani loves

spending time with her family & making memories wherever the road takes them. Alani looks forward to competing at WCSC this season & is excited to make new friends, great memories, & enjoy another fun year in the show arena.

### 2026 SHOW SCHEDULE

| 22 | Senior Barrels (18 & Under)           |

**\*\*PeeWee Barrels/Speed is open to lead line racers, riders with a spotter, or independent beginner riders. It is designed to be a BEGINNER type class & will have year end awards. Advanced riders should sign up in Jr. Barrels 17 & Under.**

*If a class has less than the minimum required entries for the year, the awards MAY be adjusted. The high point winner in the class MAY get the second place award and so on. The buckle / first place award option may not be available for classes that have less than 36 total entries. If you need further clarification, a board member will be happy to answer your questions. Typically this is not an issue and all classes meet the mark.*
